Dear Lynda:

Congratulations to the Twin City Figure Skating Association, its member clubs and its wonderful volunteers for the excellent job in organizing and hosting the 2008 U.S. Figure Skating Championships. Your extraordinary effort was evident throughout the week of Nationals. I received rave reviews from U.S. Figure Skating leadership, officials, coaches, athletes, and fans about how well organized it was, how well things ran, and how helpful and friendly the volunteers were. My response to all was that it was a GREAT TEAM EFFORT by all. I am very honored to be associated with the Twin City Figure Skating Association. U.S. Figure Skating was thrilled with the job you did and you should all be very proud. It was a great event!

All my best,

Dear Lynda,

On behalf of U.S. Figure Skating, we would like to thank you, the member clubs of the Twin Cities Figure Skating Association and all the many wonderful volunteers that helped make the 2008 U.S. Figure Skating Championships a great success! The dedicated support shown by the skating community in the Twin Cities made these Championships a special occasion for all.

For nine hours of NBC television coverage, the city of St. Paul and the Xcel Energy Center showcased the country's best skaters – and the organization of the Championships was a huge success due in large part to the dedicated and tireless assistance from your clubs and volunteers.

Thank you again to the Twin Cities Figure Skating Association for helping make the 2008 U.S. Figure Skating Championships a week to remember!

Sincerely,

David Raith

Dear Lynda,

Well...Minnesota did it again ~
The 2008 US Figure Skating Championships truly was an exceptional ice experience and the whirlwind week created wonderful memories for those that participated.

It was my pleasure to work along side the *best* in the business from the Xcel Staff to Executive Committee to Heads of Committees to the can't do without volunteers. The success of the event was truly due to the countless hours given to a sport we all share a passion for.

The ever famous "*Minnesota Nice*" pulled it together when it counted and the TCFSA is very fortunate to have so many people who are willing to give of their time, talent and expertise.

I greatly appreciated and enjoyed all the enthusiasm and energy in making the '08 Nationals a success.

Sincerely

Barb Yackel
