Hi Everybody!

This test session is set for May 9, 2009 at Breck School Anderson Arena. We hope to begin at 4:45pm. When we have all the applications we will know how late the session will go. .

There is a question on the application form that asks if you are able to access the website, www.testsession.com. The test schedule will be posted there 5-7 days before the test session. I will also send out the schedule to all email addresses that are included on the application. If you are not able to get the schedule off the website, please send a self addressed stamped envelope with the application.

My continued appreciation to all of you, for all that you do to help the test sessions go smoothly.
